

The Execu|Search Group's client is in need of 500+ individuals starting this Friday to help out on-site for Covid-19 testing for at least a month in NYC and surrounding boroughs. Looking for Medical Professionals as well as General Purpose Non-Medical Administrators (does not require any previous experience in medical field, anyone can apply). Some general details below but please message me for more information!

- \$30/hr pay for General Purpose Staff – eligible to receive time and a half overtime

o Responsibilities include: site management, registration, traffic control

- Anyone on this site will be provided with the correct level of protection
- Free parking on-site
- Training is this Friday 3/20 and sites will go live on Saturday 3/21

Please share!!

Email me at icarver@execu-search.com
