at Mount Carmel Church

Gymnasium

25 E. 22nd St, Bayonne NJ

Model Kits and Built-Ups for Sale

In a world filled with electronic games, gadgets, apps, consoles and limited imagination, the hobby of model building is great for honing a variety of skills from ages 6 to 86.

Our local Hudson County vendors are so highly accomplished model builders whose interests run from military aircrafts to vehicles, ships, civilian vehicle and figures from all eras. Participating in this type of Hobby (or pastime) can build close ties with family and friends giving the activity much sought after quality time.

A Pastime Hobby day of Fun!!
