Job Description:

UPS Part-Time Package Handlers play a crucial role in the success of UPS in a warehouse environment, whether they're sorting packages, loading trucks or unloading trucks. No matter your role, you'll work closely with your team to ensure all the work behind the scenes is done safely and successfully. As a result, you're ensuring our customers receive their packages on time, directly impacting the bottom line on a global scale. As a bonus, the variety of shifts available (mostly Monday through Friday, Tuesday through Saturday or Sunday through Thursday, among others depending on location) will allow you to enjoy a healthy work-life balance and get your degree in your free time. Looking for an opportunity for growth? Fun fact: many of our senior managers started out as Part-Time Package Handlers while in college. Medical Benefits after 1 year. 401K Savings Plan & Employee Discount Opportunities. Medical Benefits after 9 months for you and the family.
