

Public Service Electric and Gas Company
 PSE&G Electric Delivery
 4000 Hadley Road
 South Plainfield, NJ 0708

(Update #15)
 November 2025

Dear Valued Customer:

This letter is to notify you that PSE&G will be upgrading the electric and Gas systems in your neighborhood. The planned upgrades will enhance the electric transmission system’s reliability, while helping to ensure safe electrical and gas services to residents and businesses in Bayonne and neighboring communities.

The current table below outlines the dates and locations where PSE&G crews will be working. The construction work will include both overhead and underground work. Please note that work hours may vary depending on permitted schedules, weekends, special events and holidays.

Safety is our highest priority. All material and equipment will be left on site and will be safely closed off. Therefore, it is essential that you and everyone using the local streets, including children and pets, refrain from going near our construction work zones.

What	Where	When
Gas Construction	No Gas construction work at this current time	Gas Construction is on hold through Q2 2026.
Electric (Underground) Construction Civil	<ul style="list-style-type: none"> Manhole and conduit Work on Linnet Street between Ave E and Broadway Test Pits on W 10th Street between Ave C and Broadway 	November 3 rd , 2025 - November 7 th 2025 Ongoing construction activity. Work hours are 7am – 5pm.
Electric (Overhead) Construction	<ul style="list-style-type: none"> Avenue E b/w E 32nd St. and E 36th St. 	November 3 rd , 2025 - November 7 th 2025 Ongoing construction activity. Work hours are 7am – 5pm.

Should you have any questions, please call us at **1-877-462-0005**. PSE&G is coordinating with the Bayonne Police Traffic Unit to minimize any inconvenience. Please abide by the Emergency No-Parking signs, as they will be posted 48 hours before work is scheduled to begin on each street. PSE&G will then have their contractors restore roads with permanent paving in accordance with town/county ordinances and paving requirements.

Thank you for your understanding and patience as we improve electric service and reliability for the region.
