To whom it may concern:

After review of documents provided in relation to the roadway for emergency vehicle access I can confirm that IMTT's largest aerial fire truck will be able to operate within the confines of the proposed roadway width and turning radius. The proposed roadway must meet the minimum requirements of the New Jersey State Fire Code Chapter 5 Section 503 Fire Apparatus Access Roads.

Further IMTT-Bayonne Complies with the New Jersey State Fire Prevention Code as the codes were enacted and adopted by the City of Bayonne and Bayonne Fire Prevention Bureau. All new projects follow the State Uniform Construction Code as adopted by the City of Bayonne Construction Bureau.
