Subject: P-21-022 Bayonne Equities BII Urban Renewal, LLC - Correction to Filing Letter from Nancy Lottinville, dated December 1, 2021

Alicia:

The filing letter from Nancy Lottinville dated December 1, 2021 incorrectly references the date on the most recent Dynamic Engineering plans as November 11, 2021. The correct revision date is November 23, 2021, which is shown on the hard-copy plans and electronic plans that we submitted to you.

Please let me know if you have any questions.

Thanks,
Mike
