

Public Service Electric and Gas Company  
PSE&G Electric Delivery  
4000 Hadley Road  
South Plainfield, NJ 0708

(Update #18)  
January 2026

Dear Valued Customer:

This letter is to notify you that PSE&G will be upgrading the electric and Gas systems in your neighborhood. The planned upgrades will enhance the electric transmission system's reliability, while helping to ensure safe electrical and gas services to residents and businesses in Bayonne and neighboring communities.

The current table below outlines the dates and locations where PSE&G crews will be working. The construction work will include both overhead and underground work. Please note that work hours may vary depending on permitted schedules, weekends, special events and holidays.

Safety is our highest priority. All material and equipment will be left on site and will be safely closed off. Therefore, it is essential that you and everyone using the local streets, including children and pets, refrain from going near our construction work zones.

What	Where	When
Gas Construction	No Gas construction work at this current time	Gas Construction is on hold through Q2 2026.
Electric (Underground) Construction Civil	<ul style="list-style-type: none"><li>Tuesday, January 10, 2026: Installing Conduit along E 5<sup>th</sup> St in between Orient St &amp; Lord Ave.</li><li>Wednesday, January 21, 2026: Installing MH 738 at the intersection of Orient St &amp; E 5<sup>th</sup> St.</li><li>Thursday, January 22, 2026, through Friday, January 23, 2026: Installing Conduit along Orient St.</li></ul>	January 10, 2026 – January 23, 2026 Ongoing construction activity. Should you have any questions, please call us at **1-877-462-0005**. PSE&G is coordinating with the Bayonne Police Traffic Unit to minimize any inconvenience. Please abide by the Emergency No-Parking signs, as they will be posted 48 hours before work is scheduled to begin on each street. PSE&G will then have their contractors restore roads with permanent paving in accordance with town/county ordinances and paving requirements.

Thank you for your understanding and patience as we improve electric service and reliability for the region.
