Mayor Davis Boosts Small Business Saturday

Mayor Jimmy Davis has issued a proclamation declaring Saturday, November 26, to be Small Business Saturday in the City of Bayonne. Mayor Davis said, “Small businesses are the backbone of our community. They provide goods, services, and jobs to thousands of our residents.” Mayor Davis continued, “As the holiday shopping season begins, please remember to patronize Bayonne’s stores, restaurants, and other small businesses during and after the holiday season.”

Mayor Davis, the City Council Members, and Jackie Farber, Coordinator of Bayonne’s Urban Enterprise Zone (UEZ), traveled around the community this month to present the proclamation for Small Business Saturday to an assortment of businesses in each of Bayonne’s three wards.

Mayor Davis concluded, “Bayonne has a great variety of small businesses. Many of them suffered significant losses during the height of the COVID pandemic. They would all appreciate your support on Small Business Saturday, November 26, as they continue to recover during these challenging times. Thanks for buying locally in 2022.”
