## **UPS To Hold Job Fair at New Bayonne Facility: June 28**

Mayor Jimmy Davis announced UPS will host a job fair at the Bayonne UPS Hub on Friday, June 28 from 10:00 a.m. to 1:00 p.m. This event will take place in the UPS Employment Center, located on the left side of the parking lot at 400 Port Lincoln Road, Bayonne, NJ (sited at the former Military Ocean Terminal).

UPS will meet with candidates and accept applications for a number of employment opportunities at this new logistics center.

Mayor Davis said, “It is great news that UPS is creating more jobs at its Bayonne facility. We are happy to work with UPS again to promote employment opportunities in our community. UPS can offer prospective employees good jobs with attractive wages and benefits. I urge local applicants to take advantage of the upcoming UPS job fairs.”

UPS invites job applicants to register for appointments by using the [Registration Form Link](https://forms.office.com/r/sVpEWRkSQr). The URL for the link is: <https://forms.office.com/r/sVpEWRkSQr>. Walk-in candidates are also welcome.

The company stated, “UPS has a long history of taking care of its employees so they can take care of their families, customers and communities around the world. Working at UPS is more than just earning a paycheck: for many, it becomes a life-long career with strong, reliable pay and benefits, great opportunities for promotion and paid education.” UPS added the following:

- New UPS delivery drivers start at \$23/hr. After four years of gaining experience and skills, a UPS driver can reach the top rate of pay. In 2028, these experienced drivers can expect to make \$49/hr and earn ~\$170K annually in pay and benefits.

- Pay for part-time package handlers starts at \$21/hr.
  - The pay and benefits package for part-time union-represented employees is valued at close to double what competitors offer.
- UPS provides union employees with healthcare coverage that costs them next to nothing – they have no premiums and low or no co-pays – a valuable benefit that can’t be found with most part-time jobs at other companies.
- UPS offers part-time employees incredible opportunities for growth, including a path to full-time work if that’s what they want and college tuition assistance of up to \$25,000 starting on day one.
- The total rewards package for part-time UPSers includes paid time off and a generous pension.
- UPS has one of the strongest and longest-standing promote-from-within cultures of any company in America. Over half of UPS’s management include employees that were promoted from part-time and entry-level positions.

The UPS logistics facility is located at the former Military Ocean Terminal, near the New York Bay waterfront. Planning for the facility began in 2018 and the vacant buildings were imploded in 2021 to create space for its construction. \_
