**RE: Checklist Compliance/Requests for Waivers
 Proposed Interior Alteration
 21-25 West 20th Street
 Bayonne, New Jersey
 Block 216, Lot 8
 Goodman Lofts, LLC**

Dear Mrs. Glazewski,

This letter shall serve to identify application submitted items that do not conform to the Development Application Checklist and, where appropriate, request waivers from the requirements.

ITEM	DESCRIPTION
I-9	Topographic data has not been provided on the existing site plan since this project does not propose or contemplate any site work that would in any way modify existing conditions, and to provide such information would cause the applicant to bear significant additional expense. <u>A waiver of this requirement is requested.</u>
I-12	EAR threshold is not met.
II-11	The locations of subsurface and above ground utilities has not been provided on the existing site plan since this project does not propose or contemplate any site work that would in any way modify existing site conditions and to provide such information would cause the applicant to bear significant additional expense. <u>A waiver of this requirement is requested.</u>
II-13	Since the application does not include any site work or exterior alterations to the building, the method of handling and disposing of storm water discharges will remain unchanged. <u>A waiver of this</u>

	<u>requirement is requested.</u>
II-14	Since the application does not propose or contemplate any changes to the site or building; the subject information has not been provided. Additionally, to provide such information would cause the applicant to bear significant additional expense. <u>A waiver of this requirement is requested.</u>
IV-6	Since the application does not propose or contemplate any changes to the site or building; the subject information has not been provided. <u>A waiver of this requirement is requested.</u>
IV-7	Since the application does not propose or contemplate any changes to the site or building; the subject information has not been provided. <u>A waiver of this requirement is requested.</u>
IV-8	Since the application does not propose or contemplate any changes to the site or building; the subject information has not been provided. <u>A waiver of this requirement is requested.</u>
IV-9	Since the application does not propose or contemplate any changes to the site or building; the subject information has not been provided. <u>A waiver of this requirement is requested.</u>

Should you have any questions or require additional information, please do not hesitate to contact this office.

Sincerely,
DAJ Design Group
