

# Public Notice

February, 2023

The City of Bayonne is seeking funding through the State of NJ Green Acres Program for improvements at West 24th Street Park located at 615-619 JFK Boulevard, Bayonne, NJ & 123 North Street, Bayonne, NJ at the intersection of North Street and North Lane.

The City of Bayonne proposes to renovate the following facilities at West 24th Street Park: playground structures, fencing, playground equipment, benches and tables, bonded rubber surfacing, and associated improvements. This includes the playground and spray park at the 123 North Street facility as well.

The public is encouraged to vote on the online survey in the link below. We recommend you view the concept plans showing the proposed changes, preliminary cost estimate, and environmental impact report. In the links below you can learn more about the proposals and ask questions or provide comments on the proposed plan.

We would love to get your input!
