WHEREAS, pursuant to N.J.S.A. 40A:20-4, Municipal Agreements for Projects under a Redevelopment Plan, this property is eligible for a 30 year tax abatement; and

WHEREAS, Hobart Housing Urban Renewal Corporation is developing the property as affordable housing as defined by, N.J.S.A.40A:20-3 (l)k: "low and moderate income housing project" ; and

WHEREAS, consistent with the Rehabilitation Plan, the proposed project to be undertaken on the Property consists of the construction of a 2 1/2 story multi-family residence with eight (8) units for special needs and affordable housing (low and moderate income units) with 10 parking spaces in a new parking lot approved by the City of Bayonne Zoning Department on January 22, 2014 and memorialized on February 24, 2014 as Resolution Z-13021 (the "Project"); and,

WHEREAS, projects located within a UEZ are authorized to apply for a tax exemption pursuant to N.J.S.A. 40A: 12A-5(g); and

WHEREAS, the Entity has applied to the City Council for tax exemption pursuant to the New Jersey Long Term Tax Exemption Law, N.J.S.A. 40A:20-1 et. seq. ("Long Term Tax Exemption Law"), which application is attached hereto as *Exhibit A*; and

WHEREAS, consistent with the Rehabilitation Plan, the proposed project to be undertaken on the Property consists of the construction of (the "Project"); and a 2 112 story multi-family residence with eight (8) units for special needs and affordable housing with 10 parking spaces in a new parking lot approved by the City of Bayonne Zoning Department

WHEREAS, on , the Council adopted an ordinance approving the Entity's Application and Agreement for tax exemption for the Project's improvements, a copy of which is attached hereto as *Exhibit B* (the "Ordinance"); and

WHEREAS, the City has undertaken a policy to encourage jobs, both construction related and permanent, and has determined to suspend certain affordable housing requirements in furtherance of such policy; and

WHEREAS, the City made the following findings with respect to the Project:

A. Relative Benefits of the Project:

1. The Project will hasten the improvement of previously underutilized property. The Project will generate significant amounts of new (otherwise unavailable) municipal revenues through the Annual Service Charge and water/sewer fees. In light of market conditions and other economic factors (including the extraordinary remediation and other development costs) impacting this Project, it is not financially feasible to undertake the development of this Project in the absence of the tax exemption. Accordingly, without the incentive the tax exemption, it is unlikely that the Project would be undertaken. Without the Project, the benefits described above would not be realized.

B. Assessment of the Importance of the tax exemption in obtaining development of the Project and influencing the locational decisions of probable occupants:

i. The tax exemption permits the development of underutilized property and provides a stream of revenue in the form of the Annual Service Charges. The relative stability and predictability of the Annual Service Charges will allow the owners and, by extension, the occupants, of the Project to stabilize their expenses, which will ensure the likelihood of the success of the Project and ensure that it will have a positive impact on the surrounding area. Further, the relative stability and predictability of the Annual Service Charge makes the Project more attractive to investors and lenders needed to finance the Project. The tax exemption permits the development of the Project in an area that cannot otherwise be developed by reducing the expenses associated with the operation of the Project. Reduced expenses allows for more competitive rents in an otherwise less desirable location. As a result, the locational decisions of the probable tenants will be influenced positively by the tax exemption.

NOW, THEREFORE, in consideration of the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, it is mutually covenanted and agreed as follows:

Notwithstanding the foregoing, the City may, in its sole discretion, reduce or waive the Administrative Fee to the extent the Entity can justify a financial need for a waiver or reduction; provided, that, any reduction or waiver of the Administrative Fee by the City shall not be deemed to be a reduction or waiver of the Entity's obligations under this Section 4.06 for the term of the this Agreement.

B. As permitted by N.J.S.A. 40A:20-10(c), it is understood and agreed, on written application by the Entity after the Annual Service Charge Start Date has occurred, that the City will consent to a sale to another urban renewal entity purchasing the Project in fee simple and the transfer of the tax exemption by this Agreement (reflected in a new financial agreement incorporating all the terms of this Agreement for the period remaining on the tax exemption (the "Transferee Agreement"»», provided: (i) the transferee entity does not own or lease any other Project subject to long term tax exemption at the time of transfer; (ii) the transferee entity is formed and eligible to operate under the Long Term Tax Exemption Law; (iii) the Entity is not then in Default of this Agreement or the Long Term Tax Exemption Law; (iv) the Entity's obligations under this Agreement are fully assumed by the transferee entity in the Transferee Agreement; and (v) the transferee entity agrees to all terms and conditions of this Agreement in the Transferee Agreement. Accordingly, the applicable Annual Service Charge will be paid by the transferee entity pursuant to the Transferee Agreement. In the event that the transfer contemplated in this Section 8.01(B) is for less than the whole of the Project, the Annual Service Charge to be paid each by the Entity and the transferee entity after the transfer shall be pro-rated based on the land area being transferred compared to the total land area for the Project. The Entity shall pay an administrative transfer fee equal to two percent (2%) of the then applicable Annual Service Charge for that portion of the Project being transferred for processing any such application by the Entity.

### Severability

It is an express condition of the granting of this tax exemption that during its duration, the Entity shall not, without the prior consent of the Municipal Council by ordinance, convey, mortgage or transfer, all or part of the Project so as to sever, disconnect, or divide the Improvements from the Land which are basic to, embraced in, or underlying the exempt Improvements.
